

MTC Technology Acquisition and Study Mission to Interzum Guangzhou, China

(25 – 30 March 2018)

The Malaysian Timber Council is organising a Technology Acquisition and Study Mission to Interzum Guangzhou, China 2018 from 25 – 30 March 2018. The objective of the Mission is to provide exposure to Malaysian timber product manufacturers on the latest developments in wood processing technologies.

Interzum Guangzhou, which will be held from 28 – 31 March 2018, is a comprehensive trade fair for the woodworking machinery, furniture manufacturing and interior design industry. Venue of the fair is Pazhou Complex, Guangzhou, China where the China International Furniture Fair (CIFF) is also held concurrently. Industry members from the furniture sector could gather information on emerging as well as latest trends in the furniture industry at CIFF.

More than 50% of the woodworking machinery showcased in Interzum Guangzhou are for furniture manufacturing.

Categories of machineries and accessories to be exhibited in Interzum Guangzhou include:

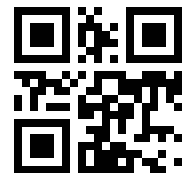

- Materials and components for furniture manufacturing;
- Machinery, materials and components for upholstery and bedding;
- Machinery, materials and components for interior works; and
- Machinery and auxiliary machinery for woodworking and furniture production.
