## National Budget 2018 – Propelling the Growth of the Timber Industry

As part of Malaysian Timber Council's (MTC) continuing effort to assist the development of the Malaysian timber industry, MTC is organizing a talk by the Ministry of Finance on "National Budget 2018" – Propelling the Growth of the Timber Industry"

This Talk will be of significance to all participants as the access to financing facilities and incentives for cash flow management for the conduct of business and capacity building are crucial to many Malaysian timber industry, in particular the SMEs.
