

# Timber Sustainability Programme (TSP) 2026

## Unlock Your Competitive Edge

Whether you are just starting your sustainability journey or already have systems in place, TSP 2026 helps you turn your efforts into best practices that support your business growth.

### A Simplified Roadmap to Sustainable Business

- 1. ESG Gap Assessment**  
Understand where your company stands — from environmental impact to workforce practices.
- 2. Practical ESG Training**  
Learn actionable steps you can apply immediately in your operations.
- 3. Custom 2-Year Action Plan**  
Receive a tailored roadmap based on your company's size and business needs.

### Benefits You'll Gain

- Move forward with expert guidance — no more trial and error
- Focus on improvements that drive real value
- Build a structured and credible pathway for your business

### Grab Bonus Incentives Upon TSP Completion!

- **MTC Green Incentive Graduates**  
Unlock an additional RM20,000 in MTC Green Incentive support
- **MTC FTP Graduates**  
Enjoy a 20% TSP reimbursement top-up (up to RM16,800)

### Quick FAQ

- **Who can apply?** Companies of all sizes in the Malaysian timber industry are welcome.
- **Is my company "ready" for this?** Absolutely. TSP 2026 supports both beginners and companies with existing ESG practices.
- **What support will we get?** You'll receive guidance from experienced service providers, including assessment, training, and a customised action plan.
- **How much time will this take?** Approximately 1-2 months

### TSP Co-Payment Model

- The company selects and pays service provider
- Once the work is completed and approved, MTC reimburses the remaining amount to the provider.
